

Dayton Area Chamber of Commerce

CommuterAds are :15 sec audio + visual text scrolling messages that play inside the RTA buses, to captive riders. Messages play on board RTA buses at hyper-targeted locations or at specific times of the day.

- Have your audio + text scroll message play on every RTA bus that approaches near your store front
- Have your audio + text scroll message play on every RTA that approaches any specified LOCATION (based on availability)
- Have your audio + text scroll message messages play across all buses at the same TIME each day.

As a Group Value to your Dayton Area Chamber of Commerce membership, you can get transit audio messages playing where you want them and when you want them to play, at a significant savings!
