MENTOR PROGRAM

Leadership Dayton
LEADING TOGETHER

A Program of the Dayton Area Chamber of Commerce

LEADERSHIP DAYTON MENTOR PROGRAM

The 2014 Leadership Dayton Class identified that among the many excellent career preparation programs in the Miami Valley, there was one thing lacking – mentors. We recruited experts from a wide variety of industries well known in this area who are excited to donate their time and expertise to help colleges, technical schools, high schools, non-profits and entry level employers better equip the young workforce.

The following lists mentors from local businesses who will come to your school or workplace and spend time sharing their expertise and real-world experiences free of charge.

TOPICS INCLUDE:

- Resume and Cover Letter Writing
- Interviewing Tips
- Time Management
- Verbal and Written Communication
- Networking
- Workplace Etiquette
- Problem Solving

All of these mentors are leaders in their fields and can accommodate most special requests if you have a specific need. You may contact the mentor directly to talk about details and schedule an appointment.
