

▶ LEADERSHIP DAYTON ALUMNI ASSOCIATION

The Leadership Dayton Alumni Association allows graduates to continue their journey of servant leadership. Alumni take part in educational and networking opportunities and are often called upon to fill needs within the community. Your continued involvement helps to make the program stronger each year.

“As a newcomer to the area, Leadership Dayton and the alumni events were the single most effective way for me to meet the community, its leaders, and the services offered.”

Association Membership Benefits

The Leadership Dayton Alumni Association provides opportunities for Leadership Dayton graduates to remain immersed in the unique and rich history, culture and community service of the Greater Dayton area. During the many alumni events held throughout the year, associated members will have the opportunity to develop meaningful connections with Leadership Dayton classmates and other graduates. The Leadership Dayton Alumni Association provides a unique opportunity to “pay it forward” to the Greater Dayton community.

PAYING IT FORWARD

- ☐ Involvement on advisory boards
- ☐ Speaking engagements for community organizations
- ☐ Ambassadorship for mentoring other up and coming leaders
- ☐ Opportunity to interview future Leadership Dayton class members

Alumni Events

Leadership Dayton Alumni Association events have numerous opportunities to network with former classmates and hundreds of emerging and established community leaders. Alumni events are for members only.
