

# 2018 PREMIER HEALTH WORKPLACE DIVERSITY AWARD

Since 2006, The Dayton Area Chamber of Commerce and the National Conference for Community & Justice of Greater Dayton (NCCJ) has awarded organizations and companies who foster an inclusive work environment in which all employees are inspired to contribute

their best through their different perspectives, backgrounds, and experiences. In 2017, the Greater Dayton Workplace Diversity Award was renamed to honor the award's first winner, Premier Health – recognizing the company as the gold standard for diversity in the workplace. The Premier Health Workplace Diversity Award will recognize organizations and companies who are role models in their local community as strong advocates for diversity and inclusion. The Premier Health Workplace Diversity Award will be presented at the Dayton Area Chamber of Commerce's Annual Meeting in Spring of 2019. The recipient(s) will also receive valuable exposure through the Dayton Chamber's e-newsletter, quarterly magazine and other marketing outlets from our award partners.
