

BENEFIT FROM CUSTOMIZED ELECTRICITY AND NATURAL GAS RATES

Through the Member Benefit Program

IGS allows members to secure customized electricity and natural gas rates for their businesses. By evaluating your energy usage and recent utility bill, IGS can provide the right blend of products, pricing, and services to meet the unique needs of your business.

ADVANTAGES YOU CAN COUNT ON

With 30 years of experience serving the energy needs of commercial and industrial customers, we are committed to being your trusted energy partner. From delivering transparent contracts with no hidden fees to proactively communicating market opportunities to you, IGS' dedicated representatives are experienced industry experts focused on helping you meet your energy goals.

ENERGIZE YOUR BUSINESS...AND YOUR HOME

As an exclusive to chamber members, IGS is also proud to offer competitive pricing for your residential electricity and natural gas supply.

YOUR BUSINESS

Contact **Reggie Franklin** with a copy of your recent utility bill for a customized cost comparison.

 Founded in 1989, IGS has been a leading advocate for change in the energy industry with the goal of offering a choice to commercial, industrial, and residential customers in energy supply. Today, the company expertly advises and helps consumers make smart energy decisions that fit their individualized needs. IGS supplies natural gas and electricity to more than one million customers, and offers a variety of Home Warranty products to help consumers protect their homes and further manage their energy costs.
