We are in a critical time in the response to the COVID-19 pandemic and the Montgomery County Emergency Operations Center is asking for your help in assembling supplies for the response. **At this time, we are asking our local business community to help by donating personal protective equipment (PPE) critical to protect frontline workers.**

Our primary needs right now are:

- N-95 respirators
- Nitrile gloves
- Aprons
- Gowns
- PAPRs (powered air purifying respirators)
- APR (air purifying respirator)
- Face shields
