

**DAYTON/
MIAMI VALLEY
SAFETY COUNCIL**

Vision

To be THE Leader in workplace safety and health throughout the Dayton/Miami Valley region.

Mission

The Dayton/Miami Valley Safety Council enhances a safe and healthy environment in the workplace through:

- Education
- Networking
- Information Systems
- Advocacy

Membership/Participation

Membership in the Safety Council is open to any company that is interested in providing a safe and healthy workplace for its employees, Membership fees are bases on # of employees.

Benefits of Safety Council Membership

Membership benefits include high-quality educational programs at an affordable price, professional networking opportunities and access to the video library. Members also receive updates on public policy and advocacy efforts relating to the safety area and are invited to participate in the development of official Chamber positions on local, state and federal safety-related public policies. Safety Council members also have access to various technical, legal, educational, legislative, and regulatory resources.

Governance & Current Leadership

The Safety Council is guided by a volunteer Steering Committee that meets quarterly. There are currently more than 250 members of the Safety Council.

Events & Programs

The Safety Council hosts the following educational programs during the year:

- Safety Breakfast with the Experts monthly series features presentations from local experts on a wide variety of safety topics.
- Annual Safety Conference & Symposium features a full day of seminars, presentations, and exhibitors.
- "Hot Topics" - in depth discussions (2-4 hour sessions) on emerging safety trends. These programs are typically held in response to recent stats and/or federal regulatory activity.
