

Job applicants can't afford child care?

mvcdc 
can HELP YOU
help them

Miami Valley Child Development Centers provide **FREE** child care and early learning to low-income families with children from 6 weeks to age 5.

Families who've been out of work and part-time employees may qualify!

MVCDC is the Miami Valley's Head Start agency, serving low-income families at more than 60 convenient, high quality programs in Montgomery, Clark, Greene, Butler and Madison counties.

Families must earn 100% of the Federal Poverty Level or less to be eligible for FREE child care.

- Many out-of-work and part-time employees qualify! A single head of household with 2 children working 30 hours/week and earning \$14/hour may be eligible.
- Once a family enrolls, they receive FREE child care until their child ages out of Early Head Start or Head Start — regardless of changes in income.
