

► GENERATION DAYTON: The Place for Dayton's Young Professionals

Generation Dayton is where the Dayton region's young professionals come to grow, develop and establish themselves. The mission is to provide opportunities for young professionals to connect with peers, develop professional skills, build relationships, and succeed in their career while enhancing the community's quality of life.

"Generation Dayton is an amazing program for the Young Professionals in our area to connect with each other, our community, and opportunities for professional growth and development in their career."
