

Propelling Diverse Military and Veteran Entrepreneurs

High Potential/High Growth Companies

Project Accelerate is seeking highly motivated and growth oriented military and veteran entrepreneurial leaders that operate companies with \$1.5M to \$5M in sales and are driven to aggressively grow their business.

We are recruiting nationally 50 qualified cohort participants to receive training and coaching to assist with expanding their businesses within the commercial and governmental sectors and connecting with national supplier diversity partners to learn how to maximize contracting opportunities.

Project Accelerate, sponsored by JPMorgan Chase & Co., is a new national initiative aimed at supporting small businesses led by veterans, military members and military spouses across diverse communities, including but not limited to those who identify as: women, Black, Hispanic and Latino, Asian and Pacific Islander, Indigenous, LGBTQ+, and people with disabilities.

Your company should evaluate this training opportunity and companies from all business sectors are encouraged to apply by **July 26, 2023**. To learn more about Project Accelerate, register for the information sessions listed below:
