

EMPOWERING Dayton's Executive Women

The **Executive Women's Council** supports women in executive leadership roles by providing peer to peer networking, community engagement, and unique workshops. The council aims to provide a space for these women to candidly share and discuss business problems, experiences and challenges with a diverse network of female leaders in the Dayton community.

MEMBER BENEFITS

- Members-only events & networking opportunities.
- Access to timely training opportunities on the issues that impact women in leadership roles.
- Develop relationships with a group of professional women in a supportive and inclusive environment.
- Hear from the top female leaders from across the region.
- Connect with over 200 executive women in the network.

EXCLUSIVE CHAMBER ACCESS

- Recognition of participation on the chamber website.
- Access to Empower, the Dayton Area Chamber's Executive Leadership Training program for women.

MEMBER QUALIFICATIONS

Our members must be employed by a **Dayton Area Chamber** member business. You must also be in a leadership position (e.g. president, owner, CEO, COO, director, VP, shareholders of closely-held businesses, and nonprofit executive) at your company or organization or in pursuit of professional growth opportunities which will take your leadership journey to the next level.

SPONSORED BY:

"At **AES Ohio**, we believe that investing in women leaders is a catalyst for innovation and growth. By empowering women, we unlock diverse perspectives and foster a culture where creativity and excellence thrive."

Vivian O'Connell,
Ohio Impact Leader,
AES Ohio

"The **DACC Executives Women's Council** is more than just a group, it is a movement. A movement of strength, unity, and support."

Caresse Drake,
Community Development Outreach Director,
First Financial Bank
